As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies may be obtained from the GCCF Offices, 4-6, Penel Orliou, Bridgwater, Somerset. TA6. 3PG).

## REGISTRATION

No Cat or Kitten, Entire or Neutered, born after 19.10.71 with one or both parents unregistered shall be eligible for the Open Classes. All Pedigree Cats, Kittens or Neuters exhibited at a GCCF show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owner at least 21 days before the Show. If the registration number has not been received when completing the entry form, write NAF (number applied for), in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

## SHOW ENTRY

The Exhibitor must complete the entry form as stated on the registration certificate. Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please do not omit to read and sign the declaration — if joint owners, both must sign the form. Exhibits must be entered into the appropriate Open Class and at least three other classes.

## VETERINARY

Exhibits will be received at the Show from **8.00am** until **9.30am** on the morning of the Show. Each exhibit must be brought into the show hall in a suitable container, (top opening recommended) and must be accompanied by the owner or the owners agent. Each exhibit will be examined by the Club's Honorary Veterinary Surgeons who are authorised to exclude any exhibit that they consider unfit. No exhibit may be penned before being examined. Each exhibit must have clean ears and coats free from pests. No queen may be exhibited within 12 weeks from the date of kitting, neither may a pregnant or lactating queen be exhibited. No exhibit that has been de-clawed will be accepted, neither will male cats which are either monorchids or cryptorchids.

Vetting-in slips will be given out on the day of the show.

All exhibits must be inoculated against Feline Infectious Enteritis FVR & FCV (Cat Flu), the full course in accordance with manufacturers recommendations must have been completed 7 days before the show. The Certificate must have been issued by a Veterinary Practice/Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon.

**Certificates must be completed with the name and address of the owner and identification of the cat.**

**All vaccination certificates MUST be shown at vetting in or the exhibit will be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.**

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

Owners are responsible for the cost of any veterinary treatment required by their cat(s) in their absence from the show hall.

## VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Managers shall obtain from the vet, the reasons, and accordingly notify the GCCF within 48 hours of the Show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points

(1) When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.

(2) Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in receipt of your certificate. If you wish to satisfy yourself that your letter has reached the Veterinary Officer, please enclose a stamped addressed postcard for acknowledgement receipt, this will be signed and returned to you.

(3) Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

### VETERINARY LETTERS

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. This is no longer applicable; such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesions indicative of ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

### REFUNDS

THERE WILL BE NO REFUNDS OF ENTRY FEES AFTER THE PUBLISHED CLOSING DATE.

### PENNING OF EXHIBITS

Each competitive exhibit must be provided with a white sanitary tray and clean plain white or near white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white vet-bed or like material may be used if preferred. A hot water bottle or heat reflecting material may be used, provided they are covered by the blanket, in accordance with the GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10.00am and may not be returned until 1.00pm. Judges are instructed to pass any pen that is distinguished in any way. Other than official notices or awards cards, no written or printed matter may be placed on competitive pens. Exhibition Pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without sanction of the Show Manager. They are only received on the condition that the club shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way.

Any exhibit prepared for show in any artificial manner which changes its appearance relative to the Standard of Points shall be disqualified by the show manager as there had been a breach of the rules. Such preparation includes the uses of powder, dyes, other colouring matter or whitening or darkening substances, or any oils or greasy preparations, or any other cleaning substances which remain in the exhibit's coat during the show; it also includes trimming, clipping, singeing or rasping down of the fast coat. Any treatment to change the temperament of the exhibit, such as skullcap and valerian is forbidden.

### JUDGES

Judging will commence at 10.00am. Judges are empowered to withhold any prizes or championship in any class, if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. In the event of a change of judge of an Open Class occurring after the closing date of the show, and provided that the exhibitor informs the Show Manager prior to judging that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status. The show closes at 5pm. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit. Exhibitors must leave the hall at 10.00am and not return until 12.30pm.

### THE COMMITTEE RESERVE THE RIGHT TO:

- Appoint other judges should the advertised be unable to fulfil their engagements and to appoint further judges if deemed necessary.
- Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- Cancel, amalgamate or divide classes.
- Disqualify cats entered in the wrong classes by the exhibitor.
- Refuse admission to the Show Hall without giving a reason.
- Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.

### WITHDRAWAL FROM CAT SHOWS - NEW GCCF RULING

The last date for withdrawal of a cat from a show is the advertised closing date for entries at the show, after this date the cats concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering two shows within 13 days will apply. Show Managers may be prepared to return part entry fees if the cat is not present at the show, but entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

**FOR YOUR INFORMATION**

- 1. No Kitten shall be exhibited under the age of 14 weeks. This applies to Non-Pedigree exhibits and litters for Exhibition also.
- 2a. Any Cat or Kitten which, in the opinion of the judge, is very under-developed or in poor condition, shall be disqualified from competition.
- 2b. Any Cat or Kitten disqualified by a judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.

**NEW RULE ON BITING AT SHOWS (Effective 1.6.88)**

Any cat biting or inflicting injury by deliberately scratching a judge, Veterinary Surgeon, Steward or any other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and inform the owner of the cat in writing sending a copy to the Secretary GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

**EXHIBITS FOR ASSESSMENT**

Exhibitors must provide a copy of the GCCF approved standard of points when making their entry.

**ADVICE TO EXHIBITORS AS FROM 1.6.92**

- a). You are advised against purchasing any shampoos that change a cats coat colour as this can lead to disqualification
- b). Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c). Any alteration to your entry form must be in writing which will be attached to the form by the Show Manager. You may also make corrections to the form up to the close of the show.
- d). Kittens under the age of 14 weeks may not be shown.
- e). Any person whose cats have been rejected under section C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f). The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g). Please note that in addition to the classes you have entered, your cat may also be handled for the purpose of assessing candidates in the GCCF appointment scheme.
- h). Queens who have kitted within 12 weeks of the date of the show may not be shown.

**WARNING**

Owners are warned by the GCCF against selling whole litters to one buyer, as unfortunate consequences may follow.

**DEBUTANTE:** Exhibits that have never been shown at a show held under GCCF Rules. (Debutante entry as a kitten does not count when the exhibit is shown as an Adult or Neuter and Debutante entry as an Adult does not count when the exhibit is Neuter and shown).

**MAIDEN:** Exhibits that have not won a First, Second or Third prize in any class at a show held under GCCF Rules.

**BREEDERS:** Exhibits bred by exhibitor/s. Cats originally registered in the breeders' joint ownership but changed to single ownership through divorce or the death of one owner can still be entered in this class. Cats originally registered in the Breeders' single ownership and changed to joint ownership with the Breeder, should be entered in the Non-Breeders class.

**ADOLESCENT:** Cats over 9 months of age and under 15 months of age on the day of the show.

**JUNIOR:** Cats over 9 calendar months of age and under 2 years on the day of the show.

**SENIOR:** Cats 2 years old and over on the day of the show.

**VETERAN:** Cats 7 years old and over on the day of the show.

**ARISTOCRAT:** Exhibits with 1 or 2 Challenge or Premier Certificates but have not achieved Champion/Premier status.

**RADIUS:** For exhibits living within 25 miles of the Show Hall.

**VISITORS:** For exhibits living over 25 miles from the Show Hall.

**ASSESSMENT:** For Experimental breeds only. Entrants may also enter the appropriate Miscellaneous and Club Classes. Entries must include a Standard of Points which has been approved by the GCCF.

The status of the exhibit for entering restricted classes (i.e. Maiden, Limit etc) shall be the cats' status on the date of entry, except where section 2 Rule 15e regarding entry into Grand Classes applies. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter. The wins as an adult do not count when exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

### OLYMPIAN CLASS

In order to enter 'Olympian' class your cat must be an Imperial Grand Champion/Imperial Grand Premier/Imperial Grand Master Cat. Once your cat has attained IGRCH/IGRPR/IGRMC status, it may only enter Olympian classes and be considered for Best of Breed if BOB is held.

### IMPERIAL CLASS

In order to enter the "Imperial" class your cat must be a Grand Champion/Grand Premier/Grand Master Cat. Once a cat has attained GRCH/GRPR/GRMC status, it may only enter the Imperial Class and be considered for Best of Breed if BOB is held.

### GRAND CLASS

In order to enter the 'Grand' class your cat must be a Champion/Premier/Master Cat. Once a cat has attained CH/PR/MC status, it may only enter the Grand Class and be considered for Best of Breed if BOB is held.

### CHAMPION, PREMIER, MASTER CAT TITLES

Untitled Cats only may enter the breed class.

### CORRESPONDENCE

Any complaint relating to the show, must be sent to the Show Manager within seven (7) days of the close of the show. Please enclose a stamped addressed envelope for reply.

### GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer certificate) for the cat that is to be exhibited. **PRINTING** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by the GCCF no later than 21 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from your pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd No. box. It is wise to include a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for show, so that you know the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked.

All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show management's are permitted to accept corrections, at their own discretion, up to close of the show (on the day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is indicate VERY CLEARLY which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and **both must sign**.

#### STATUS OF ERRORS - WHAT TO EXPECT

**Minor Errors.** These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor error include:

- (a) spelling errors
- (b) separation of cats' names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam etc
- (e) full breed number known, but not given
- (f) Sire and Dam reversed (revised 5.1.94) or named incorrectly (revised 12.1.96)
- (g) breeder joint when single and vice versa (revised 5.1.94)

**INCORRECT DATE OF BIRTH.** This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

**NB AGE LIMITS** Kittens - not less than 14 weeks old and under 9 calendar months on date of show. Adults - not less than 9 calendar months on the day of show.

**INCORRECT NAME OF EXHIBIT/OWNER/BREEDER.** If the registration/transfer were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

**EXHIBIT** Totally incorrect name

**REGISTERED OWNER** Joint when they should be single and vice versa

**(EXHIBITOR)** Declaration not signed by registered owner(s)

**NB** The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually take the cat to the show.

**BREEDER** Totally incorrect name or names

**NB** The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth.

**REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE DATE OF SHOW** These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose a stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

**TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW** Entries such as these will also be disqualified as the exhibitors entry form becomes invalid.

**INCORRECT CLASS ENTRY** These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

Exhibits entered in the Grand class must have qualified on or before the published closing date of the show.

**CAT REGISTERED ON THE REFERENCE REGISTER** No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not a letter of explanation will be sent to the exhibitor(s).

The advice above, however, is aimed to keep your show entries trouble-free, not to mention the show checking.
